Peugeot 206 quick silver 1.4 M.o.t until 12 april 2017 Great runner Everything works on the car as it should Only 61k genuine miles from new All tyres are good. Would make a ideal new driver car being a small hatch 1.4L Could do with a plastic cover for rear passanger light (pictured) And one wing mirror could do with the silver on top of wing mirror (pictured) Could pick both butts up for less than £30 I have taken this into account when pricing the car. Taking in a part X Priced for a quick sale £400
