

Korg Midi Sound Module (50 GBP)

Location **East of England, Bedfordshire**
<https://www.freeadsz.co.uk/x-461114-z>

Korg X5DR midi sound module - very good condition for age. The piano sound especially is hard to beat - so are the strings. The power adapter is working fine but as a new plug has been soldered on a new adapter should really be bought - although this present one has served me well for the last few years with the new plug!. No original box - but owners manual is with it.;
