2 quality built storage units. I think it is made from Ash wood. The cupboard with 4 doors has shelves and drawers in it and the central area pull out to reveal a solid marble top. The overall size is 160cm W X 48cm D X 88cm H. The second unit is similar to the first but the right-hand door is attached to a storage area on casters which can be completely pulled out, this has a drawer and a solid marble top. As the tops on both units are made with real wood, the water stains and discolouration can easily be sanded out and then re varnished. The overall size is 127cm W X 48cm D X 88cm H. The unit on top of the 3 door unit (just visible) is not included as it is already spoken for. I am only 5 minutes from Jnc 8 of M25, Reigate, Surrey, post code RH2 8DY, and am happy to answer any questions you may have or send even more.
