This is Timmy, DOB 11.3.16 and through no fault of his own he is looking for a new Mum/Daddy. He is a wonderful guy with excellent recall, loves to be out in the woods and fields exploring. He is fully vaccinated and micro-chipped and is treated monthly with Advocate. Timmy is fully house trained and uses our Dog flap. He lives with Dogs, Cats, Rabbits and older Children and I believe he would fit in anywhere. If you would like to meet Timmy then please give me a call.
