

# Repair Your Remote Key Fob

Location **West Midlands, Warwickshire**  
<https://www.freeadsz.co.uk/x-462485-z>

In our long-lasting experience repairing remote keys, we have found that the most frequent problem on these develops from the failure to lock and/or unlock the vehicle's doors. Also common faults are LED flashing issues, loose parts inside the key fob, non-working buttons, broken switches,.
