## Wii console and games (60 GBP)

Location **East Midlands, Northamptonshire** https://www.freeadsz.co.uk/x-466611-z

The Wii comes with all wires, stand, 1 controller and nun chuck, 1 GameCube controller and memory card, games for GameCube and Wii, there is also a black case with non original Wii games in it, the 250gb hard drive has wbfs manager on it with the games that are in the black case. some if the games have stopped working but most of them work using neo gamma which is on the homebrew channel on the Wii. if you have any questions just ask. There are some emulators on the homebrew channel;
