Yamaha R6 2010 13s in pearlescent white This bike has an MOT until Sept 17 and full service history
 A very recent Bridgestone BT014 rear tyre fitted Very clean bike for age
 Bike rides like new and has been a total joy to ride and own. In fact I am not entirely happy with selling it as I believe I will miss it though I want to try my hand at a bigger bike which is the reason for sale (No swaps) Bike is registered as an insurance write off. I have the receipt for the work carried out by Hexagon motorcycles in London and damage was all to the near side and cosmetic. I had the bike serviced on 3330 miles - which was a change of oil and oil filter. As the service book suggested the brake lines were replaced at 4 years of age, I had braided lines installed at the same time. All work/MOT's and tyre changes have been carried out by Pitstop motorcycles in Letchworth. I have had an R&G tail tidy installed and a black tinted screen. Also LED indicators with the correct relay Alarm and immobiliser is Datatool 3 Have spare key and fob and the Red key The petrol tank has a very small dent and chip from an adjustable spanner landing on it otherwise bike is in top condition If you have any questions please don't hesitate on contacting me and I will reply same day No silly offers please and cash in hand does not mean you can pay me any less than a bank transfer. I am not in any rush to sell and am not in any need for the money Test rides are fine will full cash in hand Happy to supply more pics on request Thanks
