### The Caravan...

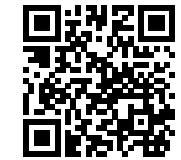

The Bermuda is 12ft wide and is also central heated and double glazed. This allows you to enjoy your 5\* holiday even in the winter months. With a neutral theme throughout the colours and contrasts allow you to add your own touch to the holiday home. There's plenty of seating for friends and family and with three bedrooms as well as a pull out double bed you can sleep up to 8.

### The Park...

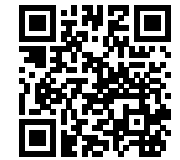

Southview is a 5\* leisure park on the East Coast of England. With waterfalls at the entrance, lakes throughout plus top of the range facilities you will see that this is the pinnacle of luxury. Being diverse allows Southview have something for everyone here on park. The park is the most important factor when possibly purchasing a holiday home. This is why I like to invite everyone to come down. This will allow you to see if this park is right for you...
