Often, people don't have time to go to Spa or massage studios or simply are too shy; what I offer is massage therapy in your own environment (home, hotel,etc.) I have bed, towels and oils so all what you need to do is just relaxed and enjoy.

If you would like to book a treatment please call me 07939972530 or just leave the message. I'm available Monday - Friday after 5.30 pm, Saturday and Sunday all day.
