READY NOW M1 J14.

This tiny little puppy girl is delightful and gentle in character, chartered to weigh in at 7lbs fully grown. She is non moulting, so ideal for allergy sufferers as her coat will not shed. 'Suki' will need next to no dogwalking, as she is smaller of type and a fairly laid back character. **FULLY VACCINATED & MICROCHIPPED** Flea and wormed to date. Included in her price are **LIFETIME FREE VACCINATIONS** at Vets4Pets which is a national veterinary practice, a dog bed, pink lead/collar and a bag of food. She is ready to leave to today. **READY**
