

Morris Minor Project Rolling Shell Project Hot Rod etc Freg 68 model (399 GBP)

Location **North, Northumberland**
<https://www.freeadsz.co.uk/x-474618-z>

Bought this Morris Minor as a Project a while back but chance of plans, no Mot and its I have the V5 in my name plus some paper work for the car ,there is no engine or interior, still has gearbox, back axle etc, rolls along so can be loaded onto trailer etc, an ideal basis for a Hot Rod or replace your Rotten Morris Minor, good floor, excellent inner wings, excellent rear wings, front wings, doors and boot lid need tidying, and a bit of welding needed here and there, has the makings of a very good Project at a very fare price, No Offers. ;
