Trek 1.5 Road Bike.

For sale, a used Trek 1.5 road bike, as can be seen, this bike is Green and White in colour, it has an alloy frame with Carbon Forks. The frame size 56cm top tube and 54cm seat tube.

I am 5' 10" in height and it is a comfortable fit for me.

The bike is standard 2 x 9 Shimano Sora groupset with Shimano Tiagra rear mech, VSA Vero chainset, Bontranger wheels and Bontranger Carbon seatpost. The seat is White in colour and comfortable. This bike was over £800 new.

This is an ideal starter bike or winter trainer, but please bear in mind it is a used bike, it is in immaculate condition, with just a few age related marks. Everything works as it should and this will be a great buy for someone.

Due to the size this is collection only, or you sort out a courier to collect and deliver. You are more than welcome to come and view prior to buying. I am in Northamptonshire NN15 just off of the A14. Any questions please

Bike is advertised elsewhere and I reserve the right to cancel this advert if item sells.
