Bugaboo Bee stroller (2011 model) with khaki hood for sale from smoke and pet free home in good condition. Comes with Newborn Cocoon which enables you to use this right from birth through to, well my 3 year old would still happily go in it if I let him! Raincover in good condition, and also sun parasol included (parasol has some discolouration but functions perfectly). Also comes with manuals/instructions. Such a brilliant stroller, I have used it for both my boys and it is so easy to use, lightweight and versatile. You can switch the seat round to face backwards when small, then forwards when more interested in the world. Couldn't recommend the Bugaboo Bee.
