Very well looked after Discovery 2 TD5
 No rust or rot on any of the sills , boot floor or sunroofs
 Mot AUG 17
 4 nearly new tyres
 115k on clock (low mileage)
 2 rear seats will come with car (not fitted)
 Every thing works as is should the only couple of minor issues are :-
 key fob missing lock button (have new casing to go with car)
 sometimes when its been raining the truck brings up lights on dash , this is due to the wheel sensor
 needing replacement and when it gets wet it brings the lights up.
 (Has no affect on drive or car at all)
 Had the car plugged in on snap on code reader machine - brings up a green light no codes or
