

Commercial Air Conditioning Essex

Location **East of England, Essex**
<https://www.freeadsz.co.uk/x-482757-z>

ACRE services are located in Witham Essex. We supply air conditioning services to the large commercial and retail sector, we also offer smaller affordable fully installed units for the domestic home allowing you to feel fresh, active and relaxed with remote controlled units acting as both cooling devices and home heating system replacing the need for central heating systems. Services provided by ACRE Services:

- Affordable air conditioning services
- Domestic air conditioning services
- commercial air conditioning services
- Commercial refrigeration products
- supply full range of mini & modular cold rooms
- Clean rooms
- Heat pumps (Designed by British engineers)
- bespoke design & installation service
- Planned, Preventative maintenance contracts

Our aim is to provide an extremely high level of service, at the highest engineering standard and at a competitive rate, using honesty and integrity, giving complete client satisfaction.
