All of my pieces are hand made to order in my small workshop in the south of UK situated just outside of the New Forest!

The dimensions of the above pictured unit are as follows; 50cm lengths x depth 11cm x height 22cm

This unit comes ready to be fitted complete with wall fixings.

Each coat rack I produce is hand made & stained with dark oak colour.

As these are made to order on occasions colouring and grain may differ slightly, but this just makes each item completely individual and unique!

Because all of my items are hand made to order, on average it will take me between 1-5 working days to fulfill each order and package it ready for dispatch to hopefully arrive with you no later than 10-14 days after purchase.
