

# Workshop House and Garden Photography (27 GBP)

Location **East of England, Bedfordshire**  
<https://www.freeadsz.co.uk/x-483463-z>

New for 2017, a photography workshop that will allow you to capture impressive period interior images of The House at Shuttleworth, a grand old mansion set in acres of parkland, and the Regency picturesque vistas of our Swiss Garden with spring flowers and an array of daffodils. Perfect for budding architectural and landscape photographers! Swiss Garden in spring The House stained glass With a classroom session on setting up your digital SLR, led by professional local photographer Darren Harbar, this workshop will offer plenty of time for taking images with practical hands-on guidance. Lunch is provided. This is an outdoor event with walking throughout the day, suitable clothing and footwear will be required. Suitable for age 16+, pre-booking required. Event Timings: Arrive: 10.00 for refreshments Workshop ends: 17.00 Book Online: &#pound
