Travelhouse hard shell luggage suitcase for sale (£23), never used, arrived late and not needed any more.

The quality is really great and the case itself is very light. Very nice colour so that it's easy to spot on the luggage belt; has 4 smooth wheels which makes it easy to move around. Includes 3-digit combination lock and TSA lock, so you can secure your things. The handle extends to different heights; plenty of room inside for everything required for a move or break and there is a handy zipped compartment. Brilliant value for money.

The inside size of the case is 34*23*50.5 (cm)
