Heavy Weapon You will be given the XBOX Profile login information, meaning you own the profile completely and can change the Email address, Password and Gamertag however you wish. Any questions at all, please feel free to ask and I will give the best possible answer. I am selling/swapping my console and profile because I am interested in games that are exclusive to the Playstation 4. Texts and Emails are preferable, and I will respond ASAP, usually within 5 or 10 minutes. No matter what PS4 package you have, I may still be interested, so please.
