This stunning oak chest of drawers comprising of 3 large drawers and 2 small drawers has been modernised within our workshop. Firstly we sanded the drawers using 3 different grains of sand paper. The carcass of the drawers has been painted cream inside and out with added detailing with the natural wood colour being pulled through on all edges of the drawers. The inside of the drawers have been painted a mint green, while the drawer fronts have been stained with a Georgian Light Oak. To finish the drawers we applied 3 coats of quality wax to protect and enhance the oaks beauty. The dimensions are as follows - Height - 1015 mm Length - 910 mm Depth - 440
