Dfs California fabric buttermilk large sofas 4 seater grande and 3 seater with back cushions cost £2,400 when new see pics. Cannot get both sofas together on pics.

I have had these a few years now and they are fabulous in size and would suit a largish room for full family.

They have some wear in that one sofa has a short zip at the back that is broken but you don't see that anyway but it could be mended. Odd marks as expected with this light colour. The 3 seater has a fault right into the corner towards the back but is still fabulous. The covers and cushion covers are all machine washable and fit back lovely when washed. The frame is like a white calico and one small tare on this but again you won't see this when the external cover is on. These are big sofas but I know the 4 seater can come apart in the middle for ease of transport. The other cushions are Not included in the sale. Collection will be after we have exchanged contacts on our property which won't be long. To reserve we will require a £50 non refundable deposit should you decide not to Coll for any reason.

They come from a lovely home and cleaned just before Xmas so it's up to you now. One sofa is hardly used anyway.

Strictly Pick up only Leeds you will need 2 people to lift and of course a van. We don't want any haggling on price on pick up!

Light wood feet that can screw off if needed. Sold as seen but happy for you to view and measure up.

Deposit required of at least £50 to.
