

# KC Boston Terrier For Stud (Carries D Locus Genes American Lines) (450 GBP)

Location **West Midlands, Worcestershire**  
<https://www.freeadsz.co.uk/x-491849-z>

\*\*\*FOR STUD ONLY\*\*\*

I have available for stud duties my brindle Boston Terrier Bailey. He is Kennel Club registered and is HC-HSF4 clear as stated on his paperwork. This boy is a real gentleman, he has a perfect temperament and is a proven stud. He has produced dilute blue and lilac puppies, as well as black and white, seal and brindle puppies. He has sired 3 litters, 1 being a litter of 8. His dad is an American import so the puppies produced are less likely to be interbred when mated with a UK Boston. He is relatively small but very chunky boy. Price includes 1 or 2 matings resulting in a full tie. I can also provide boarding for a fee of £20 per night should your bitch not tie upon first meeting or should you wish for your bitch to stay for a second mating if you have a long distance to travel; photographic evidence and safe mating procedure comes as standard. Please ensure that your bitch in season and ready to be mated for your own convenience. Please also ensure that she is up to date with her boosters otherwise a mating will not be accepted. If you have any questions, please feel free to get in.
