

47 Inch (47LN578V) Flat Screen TV (80 GBP)

Location **North, Cheshire**
<https://www.freeadsz.co.uk/x-492371-z>

Its almost 3 years old, the back-light LED needs replacing they went after 16 months. TV is in good condition no scratches or missing parts. There is no picture because of back-light needing replacing, sound and everything else is working fine. I still have the original packaging it was bought with also the 2 remote controls and the stand. I am open to offers.;
