NS400R A very nice example of Honda's 2 stroke triple. Imported from Hungary via Germany by myself last year. Fully UK legal. It has an uncut rear mudguard, and only 17500 km's on the speedo. The paintwork is nearly perfect. One key fits all locks. Like the RD500 and RG500, these bikes are increasing in value year on year - four strokes just don't give the same adrenalin rush.
