

Vauxhall Zafira 2006 (460 GBP)

Location **Yorkshire and the Humber, West Yorkshire**

This car would be ideal for someone who can do their own repairs or as spares. It needs a new clutch. And the engine burns oil. We spent £1700 on it last year services and parts. But unexpectedly the clutch went. There are 4 New tyres. New offside headlamp. New rearshockers. New wishbones. And over half a tank of petrol. Whoever buys would have to transport or tow.;
