TAROT READINGS:

...
 I am an intuit. I work with Tarot cards but as a Clairaudient, I hear spirit whilst doing your reading. The guidance I receive can come in the form of names, places and events.
 I believe in focusing on the positive and therefore do not project fear based readings.

REIKI MASTER TEACHER:

Reiki is basically hands on/off the body healing. I teach the 3 levels of attunement (enabling you to become a healer yourself.)

Reiki is a profound but gentle way to get to the source of the ailment and enables the body to receive universal energy, via me being a channel (used for both animals and humans.)

While it is over 2,500 years old being referred to in old Sanskrit writings, we are basically talking about working with the CHI, "KI" and QI... energy which underlies everything.

EFT (TAPPING, ACUPUNCTURE WITHOUT THE NEEDLES)

This therapy is used for phobic conditions, releasing the clients fears e.g fear of flying, spiders etc. It is a safe tool for releasing emotional trauma, freeing limiting beliefs and patterns. It is a safe, relaxing, enjoyable tool which can be used for free of charge for your friends and family to help them access this.

YOGA TEACHER

I do one to one personal training in Kundalini Yoga. This is especially powerful for all including menopausal women and men wanting to enlighten themselves.
