Do you have a historic Pension from somewhere you used to work at? Do you have a private pension you took out years ago? If so Your Pension(s) Needs Urgent Action Here's why: 65% of Pensions are in Poorly performing funds and reducing in value. Yours could easily be one of them? 77% of people have no idea what their pension is worth, and what it is likely to pay them in retirement, Do You know? 16 million people have never reviewed their pension arrangements, a further 4 million have but not in the last 5 years, It's supposed to reviewed annually Have you ? Many schemes only pass on 50% of your fund value to a spouse in the event of your death, many people don't even know if they have even specified a beneficiary! You have greater freedoms now than ever before including being able to access your Pension fund at the age of 55 *only certain schemes/Financial advice must be sought first. Why not Request a FREE confidential and No-obligation pension review with a fully regulated Independent Financial Advisor who is fully authorised and approved by the FCA (Financial Conduct Authority) which we can arrange for you right away. These worrying facts above do not have to affect your retirement, by Acting Today, you can take control of your pension and secure a brighter future for you and your family in retirement Our primary goal is to help our customers to avoid the looming pension crisis and to assist them in achieving financial well-being in retirement. Integrity and honesty is central to everything we do. Don't delay call us today. Contact Peter : 07980 66 46 96 or email your reply to us. Thank you. Buchanan Fraser does not provide financial advice, this will only be provided by our appointed Independent Financial Advisors who are regulated in the UK by the FCA - Financial Conduct Authority. Any financial advice offered will meet the highest standards of regulation in the UK. ;
