

# Triple Bunk Bed - Single 3ft over Double 4ft 6in as new complete with sprung mattresses

Location **South East, Berkshire**

On offer is a triple bunk as per the pictures comprising a single over double bed configuration.

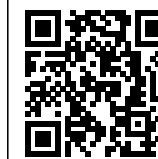

The frame is a sturdy silver grey metal. The base has intermediate support legs for added stability. Although there are many similar looking variants this was the best quality item we could find at the time with wooden ladder slats, supports etc.

The mattresses are both good brand quality sprung versions. The top mattress is a Silentnight, only used for a few nights from new. The bottom mattress is an older pocket sprung version which was bought originally as a replacement for another guest bed from John Lewis.

The reason for sale is that we thought we might need it for visiting grand children but in reality we would now be better off with a sofa bed and reclaim the space for other use.

It is currently assembled in a bedroom and made up as in the picture but could easily be broken down for transport. Bulkiest items being the mattresses. Collection only no delivery offered.

A great buy for.
