ACBTSY DESCRIPTION Altacura Broncotuss has a fluidifying action that soothes and protects the body helping to boost the immune system when there are climate changes, especially during the winter months when the body must resist to all types of aggressions. Cough is one of the main symptoms when one suffers from cold and flu. Altacura cough syrups are superior to medicinal cough syrups since Altacura acts both on the cough and the cold symptoms. Medicinal cough syrups usually act only on the cough and do not have ingredients that help the body fight cold and flu. **KEY POINTS** • Contains propolis the world's leading natural antibiotic • Acts both on the cough and the cold symptoms • Has ingredients that help the body fight cold and flu • Can be given to children to strengthen the immune defence • Should be used as a prophylaxis in people who need to strengthen their defence e.g teachers, health care professionals, etc... • No water is added to top up 100% ingredients • Thick syrup that gives a soothing effect **ACTIVE FORMULA**
