

Bespoke Early Years Primary private tutor (30 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-496476-z>

Are you looking for a tutor to help your child understand and attain the academic standard that'll be expected of them? Whether they have started school or at preschool stage, I can help your child to develop in confidence to help them reach their full potential in class and beyond. My name is Katie and I am a fully qualified primary school teacher with a full DBS check and first aid certificate. I have 6 years experience working in school from reception to year 5 and I have been tutoring for the last year in and around East and West Sussex. I am happy to travel to you or to tutor at home.

My approach is flexible using a dynamic learning system that focuses on the key Maths and English learning outcomes for the National Curriculum for England and Wales. I offer 1:1 bespoke sessions focusing not just on academic learning but also to help increase confidence and develop self esteem. I believe securing understanding in phonics is key in learning English and therefore I use phonics to develop and progress early literacy skills drawing upon a variety of imaginative materials. I use a multi sensory approach, enabling all children - whatever their learning style or ability - to develop the key skills which will allow them to read fluently, spell accurately and write confidently. I teach maths in a way that'll equip your child with the fundamental skills required for success in school Mathematics. Using a range of resources, I will cover all essential areas of the school curriculum. If you have questions or would like to chat about anything you've read here and how I could help your child please don't hesitate to contact me either through my email provided or by telephone. I'll look forward to hearing from
