Fun & Effective Guitar Lessons in Reading Berkshire Are you new to the guitar and don't know where to start or are you an advanced player looking for a push in the right direction? One to one guitar lessons in Caversham Reading, are design to help people like you. If you have a passion for learning the guitar I can help you. I love teaching the guitar and I love practicing and playing. Everyone has the potential to become a great guitarist. You might be wondering if you are ready to start guitar lessons. Maybe you think that you need to achieve a certain level before taking them? Guitar lessons will give you results, no matter what level you are at. Whether you are at the beginning of your guitar journey or are already shredding and are a passionate player. My lessons are built around you, your time and your every day life. Lessons are fun, interesting and effective. You can study electric and acoustic guitar and your age is not important. My youngest student is 8 and my oldest is 75. It is never too late to have fun playing the guitar. One hour lesson £30 (first lesson half price), half an hour lesson £17 (first lessons half price) More info https://www.guitarcouch.com Please contact me: 07568-070964 or email click to contact Thanks a lot
