Wanted Classic British Motorbike. Having cleared out my small collection of bikes, when we moved to a smaller house I would now like to start again, having much regretted my earlier decision. 1970's and before, any condition & make considered. Preferably complete but others considered. It all depends on price. I am prepared to pay up to £5000 or higher for the right bike, but I shall be looking for good value at whatever level. Thanks for your.
