TITAN (TTB277SDS) SDS Plus Rotary Hammer Drill 230V. 3 Function (Drill, Hammer and Rotary Hammer), Mains powered, Variable Speed setting with Reverse and Lock-On Switch Capacity in: Masonry 26 mm; Steel 13 mm; Wood 40 mm 1010 W Power Output. Weight 3.5kg. Auxiliary Handle & Carry Case included. I bought this drill only in June when 3/4 of the way through a job my original SDS drill expired. Needed to finish floor preparations before a tradesman arrived the next day, so it only got used for about an hour. Much to my surprise my original SDS drill was subsequently repairable. I certainly don't need 2 drills hence reason for sale. Contact Steve 07971 951054 07971 9510...(click to reveal full phone) .
