Be it a band rehearsal, a fitness workshop, dance, film or photography. We have a large space downstairs ideal for any of the above or a smaller room on the first floor ideal for smaller projects, teaching or individual practice. And a third room to come soon! You can also enjoy a break in our cozy green room area, or make yourselves a cup of tea or coffee in the kitchen upstairs.

Studio 1 is our largest and most versatile room, measuring 15 by 6 meters situated on the ground floor. Prepared with full band backline: PA, drums, microphones, guitar and bass amps. The room is also great for group gatherings, and can be arranged to suit your activity. Studio 2 is Marmalade's teaching room. Located on the first floor of Marmalade studio, this room offers the ideal space for one to one, or small group lessons. The room is equipped with PA System, electric drums and audio or visual equipment to assist in lessons. The room can also be set up to accommodate those looking for a small meeting space, offering a conference table that can seat up to 6 people.

Thanks, Team
