Super fizzy and decadent jumbo bath bomb packed with dead sea salts and shea butter and fragranced with juicy strawberries and marshmallow, a vintage favourite which is fresh, creamy and sweet. It contains a shea butter topping with glitter. Each bath bomb is made individually and decorated with sugar decorations, and is about the size of a tennis ball. They contain citric acid for the fizz, bicarbonate of soda to soften the water, dead sea salt to relax and enrich your bath with minerals and shea butter to moisturise. These are super fizzy and may turn the bath water pink and sparkle, it maybe slippery so take care when leaving the bath. Each one comes wrapped in cellophane with ribbon and make a perfect gift or a treat for yourself. Made by one of our favourite UK suppliers we love this stunning fragrance! )
