Raising awareness for invisible illness's, and fundraising for Guide Dogs UK. There will be an inspirational speech from the organiser of the event, who will be sharing her story of slowly losing sight and how it has inspired her, followed by a Q&A and interview with Cameron Morell, (who owns a guide dog) to show how beneficial a guide dog can be. There will also be a raffle and live music from 4 different bands including someone who is visually impaired in each band). Lets raise awareness and fight the stigma surrounding this taboo subject of invisible illness! The aim is to influence people to speak up about their invisible illness, to share to aware and be proud of their condition to express and accept it as a part of who they are. This event will take place on the 7th of June in Brighton at Patterns. It's 18+, Donation on door. Arrival at 6pm, starts at 7.30pm, and finishes at around 11pm.
