TOUR GUIDE PHILIPPINE TOURS (for everybody)

Location **East Midlands, Lincolnshire** https://www.freeadsz.co.uk/x-499984-z

Hi.....and if coming to the Philippines we would appreciate letting us show you how good we are, how reasonable our prices are and what we do for our clients. So if you have a minute check out our team built website (yes we did all the work because we wanted it done our way FOR YOU) and we think it's the best and most informative site in all of the Philippines. Here are some of the simple things we do:

- -Meet up at the airport holding a big sign.
- -Make sure you get to your hotel and get settled in (if it's been the typical long flight).
- -Chat with you about any and everything (after you have rested).
- -Provide a simple med kit.
- -Provide a cheat sheet of translations for common things (in your native language). Don't forget to let us know what you native language is.

And that is just the beginning. For more visit our website or drop us note via email. You will find we respond quickly.

We look forward to meeting you.
