The Haven is on the side of the hill near the end of the lane that overlooks Blagdon Lake and the village. It is a detached, 2 bed property, but with the potential to be 4 bed with a little interior refurbishment. Therefore, no need for a planned extension, unless you want even more room. The views from here are spectacular at any time of the year, either from the garden, the balcony or the 12' panoramic window on the valley side of the property. All fully double glazed, gas central heating, easily maintained gardens, exterior office, garage, workshop, shed, 2 greenhouses, raised beds for vegetable growing, just a very quiet, fabulous place to live. Please visit: www.havenhealingcentre.co.uk for more details and to contact the owner. Thank you for.
