PROS: Renault Scenic 5 door Automatic hatchback, clean and tidy for its year. Very good car drives very well. Have had no problems at all. Have had this car since 2009 and always passes MOT at first go. First to see the car will surely buy. CONS: The rear boot has a dent which can be repaired by the right person, If not can even be used as spares. Car is drivable with no issues at all. Rear boot has a dent on the left and the red plastic covering the rear light is broken (see pictures) due to car being hit from the back - Cat C. Sad to see it go as I don't have the time to carry out the repair work. Electric windows, Central locking, Partly leather seats, Power steering, Remote locking. £500 Contact Ratna: 07920729600 079207296...(click to reveal full phone number) .
