Life is a game to be played to the full and enjoyed. When I understand and respect the rules of the game, then I can appreciate each scene that comes in front of me and see difficulties as merely opportunities to learn and grow. As I learn to go with the flow of life, instead of constantly battling with it, life in its turn cooperates with me – and my experience of life becomes light and easy. Speaker Masana De Souza MSC Masana specialises in Authentic Communication, Conflict Transformation and Consensus Building with the self, family, community and society. In her facilitative and coaching work, authentic change evolves through experiential reflective practises, and the tapping into personal inner power. Masana is a past Executive Director of Mediation UK and an experienced mediator with the Brahma Kumaris.
