After endless hours and weeks worth of filming, editing, creating and uploading , I'm so proud to announce that my online workshops are now available to everyone interested in learning makeup! These classes are literally the 4 day workshops at my studio, but you get access to these classes from the comfort of your own home! You'll need to enrol into these classes, watch the step by step demo's and complete the quiz's at the end, to complete the class. Filled with knowledge and in-depth information on everything makeup! These classes are strictly online and only accessible to those who enrol. They will run side by side to the 'live' 4 day workshops that take place in my studio, so if you'd rather come spend time with me , you still have that option! (Prices listed exclude VAT!))) Hope you're as excited as I am ! Welcome on board! Class 1 : Skin Prep + Highlight and Contouring like a Pro
 Class 2: Day- Evening- Night Party Makeup Looks
 Class 3: Glam Eyes
