I am looking for someone based locally (close to TN14 area), who would be keen to help look after and exercise my two very well-mannered and gentle horses. The ideal person will need to be lightweight (up to 10.5 stone) as they are both 14.3. (Medium weight build). They are kept on a farm in Cudham where there is great hacking available and a 20X40 metre sand school. Both horses are sensible but forward going to ride and fairly well-schooled. I would ideally like to find someone who is interested in hacking or doing general schooling. Neither like jumping coloured fences but would do a basic dressage test quite happily. I am around eves (when the evenings are light) and weekends to hack out with. Terms re: the share can be flexible. I am looking for someone who is sensible, reliable, caring and who is an individual who has a passion for horses and their well-being.
