The award winning Cush 'n' Shade® is a unique new sunbathing accessory that combines, for the first time, a cushion and a sun shade all in one light portable unit giving the best sun protection for your face. Whether you are sunbathing in the garden, by the swimming pool or on the beach, Cush 'n' Shade® is the perfect sunbathing accessory to use, along with your beach towel, sunscreen and holiday novel! Weighing just 800 grams, Cush 'n' Shade® is very light and highly portable making it the only portable sunshade in the world that offers both a comfortable cushion and a sun shade all in the one stylish product. Cush 'n' Shade® provides 50+ UPF protection for the user's face and hair. This high level of SPF sun protection will help to prevent damaging and ageing effects such as wrinkles on the user's face, while at the same time, it will also provide your hair with the best sun protection without having to wear a sun hat. By shading the user's face, it makes reading and relaxing in the sun a much more pleasurable experience than ever before. You won't need to haul a cumbersome beach or sun umbrella to the beach ever again! The latest 'Fold & Roll' model arrives to the user in retail packaging and unassembled. When assembled, which only takes a minute, it can stay assembled forever or disassembled to take on holidays or on a plane. It comes with an inflatable pillow and a stylish elastic strap which wraps round the back of any sun lounge keeping it firmly in place. Product Features:- Combines a cushion and 50+ UPF sunshade all in one Firmly attaches to any lounge chair or use it on its own on the beach Makes reading and sunbathing more relaxing and comfortable Comes in its own stylish carry bag Light and portable for travel (850g, dimensions 16.5" x 3" x 4.5") Assemble once and disassemble for travel. Note: sun bed is not included - just the item in blue or green Available in Blue or Green SGS Tested and Approved 2-3 DAY TRACKED POSTAGE INCLUDED FOR
