2009 Alfa mito lusso this has been a brilliant car for me for the past year but since starting work at a dealership I just don't need it anymore! Low mileage for age, this car comes with air conditioning, alarm pioneer stereo with Bluetooth new stainless exhaust with 10 years warranty 16" alloys and the rarer burgundy dash inserts with red cloth seats It's got lots of service history and will be sold with 12 months mot any questions please feel free to ask;
