Hi! I am selling an Apple 20" Cinema Display. The monitor is in good condition and working order. No dead pixels and no marks on the screen. There are couple marks on the casing but nothing major. Generally the monitor is in good cosmetic condition.

Specs:

- Panel type: LCD
- Aspect Ratio: 16:10
- Resolution: 1680x1050
- Signal Input Connectors: DVI
- Response Time: 16ms
- Dual USB 2.0 ports, dual Firewire "400" ports

Comes with a DVI lead, a power adapter and a standard kettle lead. Nothing else is included.

Collection from Shawclough, Rochdale. I also can deliver it for cost of fuel.

Any questions please feel free to ask.

Thanks for!
