

Collectors Classic Bike - Montague BMW Active Folding Bicycle - 700c wheels, 18 gear

Location **South West, Isle Of Wight**
<https://www.freeadsz.co.uk/x-505581-z>

This hybrid folding bicycle has been used a daily commute for quite a while and never let me down, it is a bit scratched and needs a bit of servicing. Montague are a very solid bicycle and are collectors items due to the folding ability.

18 gears
 Good tyres- 700c wheels - 21 inch frame

In 1996, the BMW/Montague Mountain bike was chosen as the Official Mountain Bike of the Summer Olympic Games in Atlanta. These bikes were featured in the closing ceremonies of the 1996 Olympics and used by athletes for transportation to and from the Olympic venues. Montague bicycles are also distributed through high-end consumer catalogs such as Sharper Image, Neiman Marcus, Hammacher Schlemmer and National Geographic.

Montague BMW Olympic Mountain Bike. See the youtube video which shows how it folds - very clever!

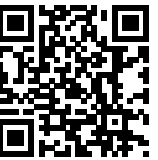

The rack is not.
