Willerby Clearwater £99,995 The Clearwater is great value for money without compromising on quality. With a cool, calming interior and comfortable soft furnishings as standard, this lodge remains a clear favourite in our range. The open plan lounge and dining area feel spacious and light, with plenty of room to spread out. The classic oak tones of the furniture blend wonderfully with the sumptuous fabrics and the sliding patio door offers direct access to your outside space. The Clearwater is one of those lodges that just makes you look forward to coming back time after time and brings the dream of lodge ownership well within reach. At the heart of the home, the large contemporary styled kitchen has masses of workspace to prepare meals or even just to warm up a takeaway in the optional eye level integrated microwave. Lots of storage makes it a popular choice with families and couples alike and the kitchen can easily be configured to include a wide variety of optional appliances. The bedrooms carry through the oak tones from the lounge but it's the walk-in wardrobe and en-suite in the master which make this lodge stand out. There is bags of room for clothes and shoes, all tastefully hidden away in both high and low shelving and hanging rails. The large twin bedroom can accommodate a double bed if required and the master bathroom in the 2 bedroom lodge comes complete with a full size bath and overhead shower to soak those aching limbs after a long ramble.
