

Exterior Wessex step lift - ideal for wheelchairs (50 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-506107-z>

The lift was installed just over 4 years ago and is a Wessex SB 800, which is ideal for wheelchairs. It has a shallow ramp for easy access and the ramp automatically folds when the lift is raised. It has an aluminium, non-slip floor with the platform measuring 1225 x 850mm and conforms to BS 6440:1999. It has a safe working load of 225KG and the maximum step height is 800mm. Buyer dismantles and collects, so first reasonable offer will be.
