About Our Services
 Your one stop shop for all your Telecom, Broadband, Data Networks and CCTV needs.

Do you have a problem with your telephone/broadband installation and require a telecoms/broadband engineer? Are your service provider charges too expensive or are they just no help!

Whether you're with BT, Sky, Talk Talk, EE, Virgin or any telecoms providers I can help, I offer all the engineering services as BT or Openreach at a fraction of the cost.

Ex BT and Openreach engineer and all work carried out to the same quality standard and guaranteed, When you call there's no call centres to deal with, you talk straight to the engineer who will deal with your fault or installation from start to finish. From extensions to existing telephone lines, repair of internal wiring, fault investigation and repair of broadband faults or installation of cat 5e/6 networks, through to complete telecommunication re-wires, installing cctv, ip camera systems, Wires & Wireless Communications provide an unparalleled and hugely well-regarded service throughout London, Surrey and large parts of the home counties M25 So when there is a fault with your telephone, network infrastructure then give us a call first. There's no harm in seeing if money can be saved and service can be delivered right away instead of waiting in a queue to be seen "sometime between 8 and 6" in 10 days time.

All of our work is guaranteed, carried out to the same quality or better than our competition and with an added flexibility and friendliness. So give us a call on 07850 530434 07850 5304. (click to reveal full phone number) and we'll be there for you.
