Location **West Midlands, Shropshire**

Smooth, quiet and reliable workhorse which has taken the family all over the country and across to Europe. I have owned the car for the last 15,000 miles and, apart from servicing, it has needed only a new heater fan. The bodywork and interior are in good, clean condition for the year. I have every MOT document dating back to 2007 and nearly £3,500 worth of bills since 2010. The negatives are; faulty parking sensors and a slight crease to the rear tailgate from a small bump. There are the usual bumper scuffs. Smooth, quiet, reliable and comfortable. Any inspection.
